## SURRY VOLUNTEER FIRE DEPARTMENT

The past year was a relatively quiet year for fire responses, although medical emergency runs were higher than previous years. A subject of much discussion within the department was the complete absence of chimney fires in town until late in November. No chimney fires occurred last winter. Congratulations to all Surry wood burners!!

A goal of the engineers and department membership was realized at the 1984 town meeting when funds were raised to insulate and to apply vinyl siding to the lower section of the station. This work was completed this fall. Comments have been made as to the difference in temperature on the apparatus floor. We expect noticeable savings on fuel oil in the future.

Members have continued to take advantage of courses offered at fire training schools. Members attended Meadowood Area Firefighting School. The engineers attended a class on purchasing new or refurbishing old equipment which was held this fall in Sanford, Maine.

The Board of Engineers is exploring, in great depth, the future needs of the town and fire department. There have been a substantial number of new homes built in Surry within the past two years and our Pamphlet 19 pumper is nearly twenty years old.

As in the past, there has been a great deal of volunteer maintenance to all equipment and property. Much time and energy was spent by John Berglund and Donald Johnson on the trucks, especially M-1 which required extensive engine and brake system repair. Thanks to Donald and John, this piece is running better than ever, hopefully long enough for them to rest up before starting in again.

The Engineers wish to express their appreciation to all who supported the department this year and for continued support in the future.

Respectfully submitted,

Dean Tasker  
Donald Johnson  
John Berglund  
Board of Engineers

## REPORT OF THE TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Our first forest fire prevention law was enacted by our State Legislature 90 years ago. This early law set in place a cooperative forest fire prevention and suppression effort between City and Town governments and State government. It simply stated that no open fire could be kindled, when the ground is free of snow, without the written permission of the town/city Forest Fire Warden. This law also stated that anyone kindling a fire without written permission shall be liable for the damage caused and subject to a \$1000 fine.

During the past 90 years, this law has worked so well that it has remained unchanged. All open fires when the ground is not covered with snow must be authorized by the local Forest Fire Warden. Persons kindling a fire without a permit when one is required are liable for damages caused, fire suppression costs and subject to a \$1000 fine.

This cooperative fire prevention law has contributed significantly to our nationally recognized annual forest fire loss record.

## SURRY POLICE DEPARTMENT

The Police Department doesn't have much different this year to report. Complaints were about the same as last year. We are still conducting house checks for those of you who wish to have it done.

Our department will not be doing the patrols at the Dam at this time. This is mainly due to a change in the original agreement made with our Department.

We put 8,141 miles on our personal vehicle this year for the town and the Dam. Of this, 1,506 miles were not paid miles.

Hopefully, we will be up-dating the finger-printing of the children in Surry this year.

In addition, the Planning Board has proposed 13 amendments to the Town Zoning Ordinance. The amendments, if adopted by the voters, will update our zoning ordinance, bring it into compliance with state statutes, and give property owners greater influence over the establishment of businesses in their neighborhoods.

Respectfully submitted,

Laura Barrett, Secretary

## SURRY RECREATION DEPARTMENT

The Recreation Department goals are to further LOCAL community activities. This can only be accomplished if the town's people participate, suggest ideas, and support these goals.

Three people attended a state workshop for recreational leaders which included crafts, games, safety, and other facets of running a community youth program.

The achievements for the year 1984 were mixed:

- A. The Summer Youth Program ran two consecutive weeks with great success.
- B. Community Day on August 18 was enjoyed by all those in attendance.
- C. The two Socials with Films had a regular attendance.
- D. Coffee and Talk did not meet as often as planned.
- E. The Surry Morning Extension Group was discontinued.

The goals for the year 1985 are to continue and to grow.

Please remember that Old Home Day is August 17, 1985, the third Saturday in August, at which time the Third Annual barbeque by the Surry Volunteer Fire Department will be held.

Anyone wishing to help or to suggest ideas (we do listen) is WELCOME. Meetings happen. Contact a member . . . and HELP!

Respectfully submitted,

S. Phillips
